# Thriving In All Ways

## A message from our Ministerial Team

Have you ever visualized the current landscape of your life as just that—a landscape? Well, buckle up, because we're taking off right now for a quick flyover!

The first thing we notice looking down is the degree of lush, green growth. We keep things fresh in life as we grow and branch out as the need or inspiration arises. If we are stifled, inhibited, or lacking in constructive, creative energy, we may want to start planting some seeds for expansion.

If you doubt you can do this, just look over there: A river of Divine Creative Substance is flowing through your life. The infinite supply of this river flows to and through us as we continually deepen our awareness of it. The more we trust and welcome the inflow and outflow of Divine Substance, the more it will manifest everything we need. Prosperity is ours to claim.

Naturally our eyes look toward the hills and mountains in the distance. These are the future high points calling us to set goals and work toward their achievement. If there is nothing calling us forward, no sense of meaningful future unfoldment, then the horizon will appear flat and uninviting. In reality, Divine Wisdom knows we have an important destiny. *Seek and you shall find the higher purpose of your life.* We just need to clear away the cloud cover to see it.

Speaking of clouds, it's always good to check the weather and visibility when flying. Are the stormy winds of life tossing you around, making you feel unsteady? Are the rains of stress and fear beating so hard on your windshield, you're unsure if you'll make a safe landing? It may be time to fly higher into the clear sky above. We can lift our awareness into greater clarity through affirmative prayer, meditation, and remembering that the Light of Spirit is always shining behind the surface appearance.

Join us throughout February as we learn to let the prospering power of Spirit express in every acre of our lives.

## SERVICES IN FEBRUARY

**Sunday, February 2- “Pocket Change” with Rev. Sherry Lady.**

From early childhood and throughout all the ages and stages of our lives, our perceptions, understandings, and experiences of prosperity and abundance go through many adjustments and changes. A popular credit card advertisement – “What’s in your pocket?”- will guide us to, and through, an investigation of how we can view prosperity, both practically and spiritually.

**Sunday, February 9 – “You and Abundance: Living from Oneness” with guest speaker Rev. Pam Gutierrez.** Are you ready to unlock the abundance that's already within you?

Discover how to shift from a mindset of lack to one of limitless possibility, tapping into the infinite supply of all good that resides within. Learn practical tools and spiritual principles to manifest greater joy, fulfillment, and abundance in every area of your life.

**Sunday, February 16: “God Is My Source, God Gives Through Me” with Jon West.**

By daily affirming and meditating in the awareness of this simple truth, we hold the essential key to wholeness discovered by saints and sages through time: The One Power and Presence that we call God, Spirit, Ground of Being, etc. is the “missing something” that keeps us from experiencing the wholeness we seek.

**Sunday, February 23 “Prosperity Consciousness vs. Poverty Consciousness ~ An Awakening of the Heart” with Dr. Serenee Smith.** Diving deep into our hearts we find the essence of who we really are as Children of God ~ And in that knowing we uncover our Divine core of unlimited grace and prosperity.

### **First-Sunday Potluck**

**February 2  
after the service**

## 2025 Board Nominees

**Gaia Christine:** I am passionate about service and community. I thrive on spreading love and compassion through volunteer work. My heart is aligned with helping those with disabilities. I also love volunteering with youth. I am grateful to be rearing my beloved grandchildren who are active in Unity's Youth & Family Ministry.

I have a deep appreciation for Unity as it applies to interpersonal relationships. I have a B.A. in psychology with a concentration in industrial organization. I love research and writing. I am a daily swimmer and painter.

I am pursuing my dream of becoming a minister at Unity Worldwide Institute. I am dedicated to uplifting others and making a positive impact.

**Shawn Heren:** In December 2016, while heading over to my sister's house in an ice storm, I had a seizure on Alton Baker trail which caused me to go in and out of consciousness for about 6 hours, where a series of events were set into motion that changed my life and eventually led to my having both feet amputated. During rehabilitation, I was told it would take 120 days to learn how to walk again. I was determined to do it much sooner and within two days, I was walking without a walker. I set and achieved some other goals too which led me to be the person I am today.

I bring the willingness to jump in and help where needed. I work well with others. I have a deep love and respect for my spiritual community. I love sharing my bright light and positive energy with others. I am one of the four founder's that founded the "Caring from The Heart" LGBTQIA++ Support Group. I am deeply dedicated to serving Unity and the congregation. I am smart and great at solving problems, am a loving cat Dad to 3 amazing little divine souls, and I love lifting people up and helping them to have a much better day.

## 2025 Board Nominees

**Alice Sparks:** My spiritual paths are many, and I have learned a great deal from the spiritual growth I have experienced with having the opportunity to be involved as a prayer team member, a chaplain, part of the Elder Council, participant in shared leadership and growth with so many beautiful beings being the Youth Ed Coordinator teaching our youth (or better said taught by them). And being a member of the Board of Trustees is beyond anything I ever dreamed of in the distant past.

It has been an honor and amazing journey being a member of the board. We definitely use the Shared Leadership model and work together as one. The wisdom, kindness, joy, leadership, and devotion that I have observed on this board has been so valuable to my growth, both personally and as a trustee to the board, as well as the congregation. I am excited and grateful for the opportunity, to seek being a trustee for another term. Thank you to Unity for inspiring me and supporting my spiritual growth.

**Edward VanSciver:** My education brings a B.A. in English Language & Literature, a Master of Public Administration (Policy and Planning), and a M.S. in Recreation and Parks Administration. At the City of Kansas City, I worked at the Department of Urban Affairs, Employment and Training Division, where I was Chief of the Management Information and Analysis Unit (1977-1982). From 1984 to 1988, I worked in the Missouri Department of Corrections as a Board of Probation and Parole Management Specialist. From 1988 to 2005, I worked in the Missouri Department of Health & Senior Services as a Research Analyst.

I was raised in the Presbyterian Church. My initial exposure to Unity was at the Unity School of Practical Christianity, Lee's Summit, Missouri (1962–1970). While there, I became a conscientious objector, so I never served in the military but did civilian alternative service with an anti-poverty agency in Appalachia (based in Harrisburg, Pennsylvania.)

When my children were little, I became a member of Fairview Methodist Church in Columbia, Missouri. where I remained for 28 years. During that time, I served on various committees, and I participated in choir, pageants, sports and fundraisers.

## **THE MISSION OF UNITY OF THE VALLEY IS**

To celebrate and express the light and love of God  
in each other and all things.

## **FIVE SPIRITUAL PRINCIPLES TAUGHT BY UNITY**

These ancient universal principles offer foundational guidance for living abundantly and staying in tune with your own divine nature. You will find one or more of them woven into each of our Sunday services.

1. God is everywhere and always present in every circumstance. This divine energy underlies and animates all of existence.
2. Human beings are innately good because they are connected to and an expression of Spirit.
3. Our thoughts have creative power to influence events and determine our experiences.
4. Prayer and meditation connect and align us to our own spiritual nature and to God.
5. It is not enough to understand spiritual teachings. We must apply our learning in all areas of life, incorporating them into our thoughts, words, and actions.
