Friday Night - Join Unity of the Valley's "Family Fun Night" (7:00-9:00 pm) This is a weave of Mark's Music and Chris's Growing-In-Trust challenge course activities that bring fun and relationship together for families and Youth Ministry volunteers. This evening is an example of how a community can reach out & support parents, grandparents, youth, and volunteers with fun and purpose...YES Fun together in community is a Godly purpose! There will be a Q & A session after the event for all who wish to stay a bit later.

Saturday - (9:00 am-4:00 pm) - This day is structured into 3 sessions:

- #1 is to address one's personal Vision & Mission and how that extends into your work in Youth Ministry.
- #2 is growing yourself and your volunteer base in service to Youth & Family Ministry.
- #3 is how & what structures support Youth Ministry volunteers, yourself, and your Unity community.

What a full day! Lunch will be provided for cost (approx. \$10). You will have a network of Unity peers to be in support of your journey in Youth Ministry.
